Situated ideally in between Cardiff and Newport against the backdrop of Monmouthshire and the Bristol Channel lies one of South Wales' premier golf clubs – St. Mellons Golf Club.

This year the Club celebrates its Diamond Anniversary and is enjoying a whole number of special events to mark the occasion.

The course itself was designed by the renowned international golf course designer Harry Colt and therefore shares its heritage with golf clubs such as Wentworth, Sunningdale and Royal Porthcawl.

Visitors are always welcome to come and join us at St. Mellons Golf Club.

If you would like to book a tee time for a round of golf or maybe our function room for that special occasion, then just speak to one of our team
